Welcome to Arizona!

I am pleased to welcome you to the great State of Arizona for the South West Regional Conference. This day will be a call for awareness, but most of all a call to action. We have planned a great line-up of speakers and activities, this is one conference you will not want to miss.

Karen Van Hooft, South West Regional Director

Welcome to Phoenix, my NOW brothers and sisters!

If there were ever a time to come together to evaluate our past and plan for our future... The time is now. The problem is, our constitutional rights and civil liberties are being challenged everyday, join us to stop these challenges and be apart of the solution!
