

LETTER TO MERGE CHAPTER B INTO CHAPTER A

(You may use the address of either Chapter A or Chapter B)

Dear Chapter B member,

Chapter B has been struggling these past few years, and has tried, without success, to find new leaders to take over our chapter. We have talked with the leaders of Chapter A in nearby _____, about the possibility of transferring members who wish to remain as members of a NOW chapter into their chapter's membership. It is with regret that we do this, but feel we have no other choice. There also is the option of being an at-large member of the state organization if this chapter is dissolved.

If you are interested in assuming a leadership role in our chapter and are willing to take on those responsibilities, we would love to hear from you. Please contact _____ at the _____ (Chapter A, our NOW state, or the National Action Center's chapter development staff) for information about reactivating our group.

If you cannot take on a leadership role at this time and would rather become an at-large member of the state, please return this letter to the above address indicating your choice regarding your membership.

I understand that, if someone comes forward to provide our Chapter B with leadership, I will be notified accordingly, and I will remain a member of Chapter B. If no one comes forward to lead Chapter B, and I do not let you know that I want my membership to be transferred to at-large status, I understand that my membership will be transferred to Chapter A when Chapter B is dissolved.

Signed _____

We want to thank you for your support of Chapter B over the years, and hope you will continue to be a member of the National Organization for Women.

Sincerely,

Chapter B Leaders

_____ President

_____ Treasurer
