ETIQUETTE: We want to use these opportunities to talk about NOW PAC's endorsement of Hillary focusing on what she has done, what she is doing and what she has promised she will do **for women**. Talking about her opponents detracts from this purpose. Please tweet and retweet positive messages about Hillary. Words matter so be excited, committed, and passionate about your reasons for supporting Hillary.

HASHTAGS: It's all about the hashtags! We will coordinate hashtags to use and get them to you via email and our facebook group. Feel free to include campaign hashtags for specific events but always include #NOW4Hillary. Stay tuned!
