Senate Republicans:

*Hello, my name is [name] and my zip code is [zip code]. I am calling to urge [name of Senator] to oppose the repeal of the Affordable Care Act (ACA). This bill will have a devastating impact on women, throwing **32 million off their health insurance**, defunding Planned Parenthood, and decimating Medicaid for nearly 14 million! We see which representatives continue to throw away our health care. Women are watching and we will remember in November when we go to the polls.*

Senator _____, it has come to my attention that the Senate is moving forward with a plan to repeal the Affordable Care Act. This will provide tax cuts for the privileged few, while devastating 32 million individuals who rely on the ACA for affordable health coverage. It is your duty to protect our care. In doing so, I strongly urge you to denounce any efforts to repeal or to repeal and replace the ACA!
