

TAKE ACTION: STOP THE BANS!

In early October, the U.S. House of Representatives passed the 20-week abortion ban--another iteration of attempts to limit access to abortion on a federal and state level. As the bill moves to the U.S. Senate, we need you to take action! Reproductive rights are under attack, let's raise our voices NOW to stop abortion bans. **Below are action steps to #StoptheBans:**

1. CALL YOUR SENATORS!

Since November 2016, women have made 86% of calls to Congress and the White House. We need to build on this momentum to demand that Senators vote "NO" on the 20-week ban. Call your Senators at 202-224-3121. Don't know the name of your Senators? Check here:

DEMOCRATS

Hello, my name is [name] and my zip code is [zip code]. I am calling to urge [name of Senator] to oppose the 20-week abortion ban. Abortion bans are unconstitutional, further restrict access to reproductive health care, and remove the rights of women. The Democratic party's platform upholds the right to safe and legal abortion--and [name of Senator] should, too. I demand that you vote "NO" on the 20-week abortion ban and make every effort to stop this disastrous legislation.
