**We want it NOW! Gender and Sexual Orientation Alliance Against Harassment,
Predatory Behavior and Assault**

WHEREAS National Organization for Women must form an alliance with the Lesbian, Gay, Bisexual, Transgender, Intersex, and All Plus community to uphold safe spaces and denounce harassment, sexual harassment, predatory behavior, sexual predators and assault and sexual assault; and

WHEREAS NOW has been seen in the past as upholding white, cis straight female rights, and showed the values, we have the chance to show the commonality of our values, and not forsake the LGBTQIA+ community as a deviant culture that does not hold these values which will wrongfully characterize us as not respecting consent and boundaries ;and

WHEREAS in recent years, the LGBTQIA+ community has pioneered safe spaces espousing the very bodily right of boundaries of consent; and

WHEREAS NOW can protect the LGBTQIA+ community from harassment, assault and predators equally and without stigma placed on the LGBTQIA+ Community.

THEREFORE BE IT RESOLVED that NOW agrees to a Gender and Sexual Orientation Alliance Against Harassment, Predatory Behavior and Assault with the LGBTQIA+ Community, politically, professionally and personally.
